CELEBRATING 60 YEARS OF SUPPORTING NATURE IN OUR COMMUNITY
SUPPORTING NATURE IN OUR COMMUNITY

Fontenelle Forest has been an essential part of our community for over 100 years!

You know the powerful memories and life-changing experiences gained while hiking the trails, looking into the eyes of a raptor, or attending summer camp. When Fontenelle Forest gives a child their first experience of discovering nature it has far-reaching benefits, from improved focus in school to better civic engagement. Studies have shown that spending time in the natural world is great for your health; it boosts your immune system, lowers blood pressure, reduces stress and increases your energy levels.

Every year hundreds of people show their support for the outdoors by attending Fontenelle Forest’s annual fundraising gala, Feather Our Nest. When you support Fontenelle Forest you are giving the gift of nature, education and recreation to our community. Your help furthers our mission to inspire current and future generations to care for the natural world, and increase access to nature for everyone.

With the support of businesses like yours Fontenelle Forest will continue to be a beacon of nature in our community for the next 100 years.
