GENERAL BOOKING INFORMATION

HOURS: Fontenelle Forest is a public nature center. Facility rentals are bookable between 8:00 am – 5:00 pm seven days a week, dependent on date and room availability. The Nature Center is closed on Thanksgiving, Christmas Eve, Christmas Day and New Year's Day.

Note: Other Fontenelle Forest and/or Tree Rush Adventure guests may be present in public indoor and outdoor spaces during business hours. Tree Rush Adventures (TRA) is independently owned and operated from Fontenelle Forest. Their hours of operation might affect your booking date.

BOOKING & PAYMENT TIMING: A completed webform (<https://fontenelleforest.org/facility-rentals/>) will prompt follow-up communication from Forest staff. Booking your date requires a review of rental policies, a signed rental contract and an approximate number of guests.

- The full room payment, including any applicable add-on experiences, is due at the time of booking. Room rentals are refundable up to 30 days in advance of your event.
- Daily admission per guest must be paid on the date of your event, which will allow all guests to access the Forest's Boardwalk and trail system, as well as public amenities (Habitat Hollow, Acorn Acres and the Baright Gallery). The admission charge will be determined on actual guest count on the day of the event. Groups over 12 people will receive \$1 off per person.

AMENITIES: Rentals include a limited quantity of tables and chairs only; linens must be rented separately. Food and beverages from any vendor are allowed but must adhere to catering and alcohol policies.

PARKING: Onsite parking is limited. An overflow lot is seasonally available, located approximately one block from the main Nature Center.
